Advanced Training – April 27-28, 2016

You are invited to apply for a scholarship to attend the two-day Advanced Course entitled: Advanced Topics in Addressing Youthful Problem Sexual Behavior, an Advanced Workshop of the New Mexico Coalition of Sexual Assault Programs, Inc., by internationally recognized adolescent sex offender therapist, Joann Schladale, MS, LMFT. The New Mexico Coalition of Sexual Assault Programs, Inc. (Coalition) has been awarded a contract from the NM Department of Health, Office of Injury Prevention (OIP).

**PREREQUISITE** -- To be eligible to attend, you MUST HAVE COMPLETED the two-week certification course at some time in the past.

In order to attend we are requiring all applicants to suggest at least three topics for the agenda (see attached application). We would like you to be as specific as possible about challenges you face in order to best meet your need for attending. We strongly encourage you to provide a case consult as participants have always reported that these are very helpful! As soon as suggestions are received, Joann will create the agenda so we can further collaborate to enhance everyone’s learning experience.
