***Let's hold the criminal justice system accountable in our fight against domestic violence & sexual assault.***

The New Mexico Coalition Against Domestic Violence, New Mexico Coalition of Sexual Assault Programs, the Coalition to Stop Violence Against Native Women and New Mexico Women's Agenda present:

## **Questions & Answers with Bernalillo County District Attorney Candidate Raul Torrez**

**September 20, 2016**

**6:00-7:30 p.m.**

**Hispanic Cultural Center – Bank of America Theater**

**1701 4th Street SW**

**Albuquerque, NM 87102**

**All community members are invited to join us in raising awareness and improving the criminal justice system response in the district attorney's office!**

This is our opportunity to hold our candidate accountable to their promise of justice and responsibility to our community:

*“Justice is the absolute expectation that child abuse, sexual assault and violent crime will not be tolerated. But justice is more than simply living free from fear – it also means a commitment that each and every member of this community is treated with dignity, respect and equality before the law.”*
