"Studies have shown that women, nonbinary folks, and People of Color are less likely to apply for jobs unless they believe they meet every single one of the qualifications as described in a job description. NMCSAP is committed to building a diverse and inclusive organization and we are most interested in finding the best candidate for the job. That candidate may be one who comes from a background less traditional to our field of work, and that's okay. We would strongly encourage you to apply, even if you don't believe you meet every one of the qualifications described. We are an equal opportunity employer, and we strongly encourage people of color to apply for open positions".
