

Program Area 3, CVRC SA Funding

Memo 2

grants@nmcsap.org

Slight change for communicating with NMCSAP: please send questions, ideas, etc. to grants@nmcsap.org. If you have already sent anything to the info@nmcsap.org we will still respond. Using the grants@nmcsap.org email will make this process much more efficient for NMCSAP staff.

To clarify grant sources from NMCSAP:

Some of you receive 'SAS' funding from us, some receive 'SASP' funding from us – some receive both.

The SAS funding that you receive (either SPA 1 or SPA 3 managed by Ellen Gatewood) is state general fund that has been moved out of NMCSAP Program Area 1 in this current RFP from CVRC and into Program Area 3.

SASP is a federally based fund from VAWA that we receive from CVRC and is managed by Baily. These funds will stay where they are and are NOT a part of the CVRC SA Funding RFP. Baily will be sending out a continuation form to all SASP funding recipients in May. These funds are completely separate from the CVRC SA Funding stream.
